- 1) Competent in career related to Human Development Science.
- 2) Able to conduct research in the area of Human Development Science.
- 3) Capable to be an officer with ethical and integrity, or businessman in area related to Human Development Science.

C. Entry Requirements

Candidates must fulfill the University General Requirements and Specific Programme Requirements:

University General Requirements

Pass in the Malaysian Certificate of Education (SPM)/its equivalent with a credit in Bahasa Melayu/Bahasa Malaysia or a credit in Bahasa Melayu/Bahasa Malaysia July Paper; **and**

STPM Minimum Qualification

- Pass in the STPM Examination with at least: CGPA 2.00 and at least grade C (GP 2.00) in General Studies; **and** grade C (GP 2.00) in two other subjects; **or**

Matriculation/Foundation Minimum Qualification

- Pass in the Matriculation/Foundation Examination with at least CGPA 2.00; **or**

Diploma or its equivalent

- A Diploma in appropriate field or other qualification which is approved by the UPM Senate; **and**

At least Band 2 in the Malaysian University English Test (MUET).

Specific Programme Requirements

STPM Minimum Qualification

- A minimum of Grade C (GP 2.00) in two of the following subjects at STPM level: Biology, Chemistry, Physics, Mathematics (M)/Mathematics (T), Economics, Accounting, Geography, History, Business Studies, Usuluddin, Syariah, Sport Science, Information and Communications Technology (ICT); **or**

Matriculation/Foundation Minimum Qualification

- A minimum of Grade C (2.00) in two of the following subjects at Matriculation/Foundation level: Biology, Chemistry, Physics, Mathematics, Economics, Accounting, Business Management; **or**

Diploma Minimum Qualification

- A Diploma in a relevant field or any other qualification recognised by the UPM Senate; **and**

Pass in two of the following subjects at SPM level with at least grade 8/8E: Mathematics/Additional Mathematics, Physics, Chemistry, Biology, Science.

D. Requirements for Graduation

Students must have completed the stipulated 124 hours (including co-curriculum).

E. Curriculum Structure

Course Category	Credit Hours
University Courses	25
Core Courses	66
Elective Courses	33
Total	124

F. List of Courses

University Courses:

- 1) Basic Entrepreneurship
- 2) Thinking Skills
- 3) Malaysian Nationhood
- 4) Islamic Civilisation and Asian Civilisation
- 5) Ethnic Relations
- 6) Agriculture and Man
- 7) Principle of Management
- 8) Academic Interaction and Presentation
- 9) Academic Writing

Core Courses:

- 1) Introduction to Human Development
- 2) Research Method
- 3) Social Science Statistic
- 4) Developmental Psychology: Children and Adolescents
- 5) Developmental Psychology: Adult and Ageing
- 6) Work Ecology and Human Development
- 7) Social Policy and Law
- 8) Basic Advising and Counselling
- 9) Family Ecology and Parenting
- 10) Nutrition, Health and Environment
- 11) Ethics and Values in Development
- 12) Social Demography
- 13) Introduction to Community Development
- 14) Social Work and Human Services
- 15) Industrial Training
- 16) Bachelor Dissertation
- 17) Family and Consumer Economics
- 18) Household Financial Management
- 19) Sociology and Social Anthropology
- 20) Social Psychology

Elective Courses

Students can choose 21 credits from any courses in four (4) sub areas as following:

- 1) Sub Area in Family and Child Developmental Psychology
- 2) Sub Area in Social Work and Community Development
- 3) Sub Area in Resource Management
- 4) Sub Area in Philosophy and Politics

Another 12 credits can be chosen from any degree courses from any local or international university with faculty's permission.

G. Industrial Training

Every student in the Bachelor of Human Development Science programme is required to undergo Industrial Training for a period of 12 weeks at various selected government agencies, companies or organisations at the final semester.

H. Career Prospects

- 1) Social Development Officer
- 2) Youth and Sport Officer
- 3) Anti-Drug Officer
- 4) Enforcement Officer
- 5) Medical Social Work Officer
- 6) Administrative Officer
- 7) Human Resource Manager
- 8) Research Officer
- 9) Trainer
- 10) Entrepreneur

Graduate is able to further study at postgraduate level.

BACHELOR OF HUMAN DEVELOPMENT SCIENCE WITH MANAGEMENT

A. Introduction

The Faculty of Human Ecology offers a **Major-Minor** programme, Bachelor of Human Development Science with Management – which combines two major fields of study: Human Development as the programme Major and Management as the programme Minor. This combination allow students to acquire and integrate knowledge and skills in those two fields. Changes in the era of industrialisation and the virtual world call for an institution of higher learning that produces graduates who are knowledge workers with the relevant skills for the nation's evolving human resource market. The Bachelor of Human Development Science with Management programme is expected to produce workers with management skills besides effective roles as individuals in the family and society and organisations.

B. Programme Objectives

The programme aims to produce graduates who are:

- 1) Competent in career related to Human Development Science with Management.
- 2) Able to conduct research in the area of Human Development Science with Management.
- 3) Capable to be an officer with ethical and integrity, or businessman in area related to Human Development Science with Management.

C. Entry Requirements

Candidates must fulfill the University General Requirements and Specific Programme Requirements:

University General Requirements

Pass in the Malaysian Certificate of Education (SPM)/its equivalent with a credit in Bahasa Melayu/Bahasa Malaysia or a credit in Bahasa Melayu/Bahasa Malaysia July Paper; **and**

STPM Minimum Qualification

- Pass in the STPM Examination with at least: CGPA 2.00 and at least grade C (GP 2.00) in General Studies; **and** grade C (GP 2.00) in two other subjects; **or**

Matriculation/Foundation Minimum Qualification

- Pass in the Matriculation/Foundation Examination with at least CGPA 2.00; **or**

Diploma or its equivalent

- A Diploma in appropriate field or other qualification which is approved by the UPM Senate; **and**

At least Band 2 in the Malaysian University English Test (MUET).

Specific Programme Requirements

STPM Minimum Qualification

- A minimum of Grade C (GP 2.00) in two of the following subjects at STPM level: Biology, Chemistry, Physics, Mathematics (M)/Mathematics (T), Economics, Accounting, Geography, History, Business Studies, Usuluddin, Syariah, Sport Science, Information and Communication Technology (ICT); **or**

Matriculation/Foundation Minimum Qualification

- A minimum of Grade C (2.00) in two of the following subjects at Matriculation/Foundation level: Biology, Chemistry, Physics, Mathematics, Economics, Accounting, Business Management; **or**

Diploma Minimum Qualification

- A Diploma in a relevant field or any other qualification recognised by the UPM Senate; **and**

Pass in one of the following subjects at SPM level with at least E/8E: Physics, Chemistry, Biology, Science; **and**

Pass in the following subjects at SPM level with at least E/8E: Mathematics/Additional Mathematics.

D. Requirements for Graduation

Students must have completed the stipulated 124 hours (including co-curriculum).

E. Curriculum Structure

Course Category	Credit Hours
University Courses	25
Major Course (Human Development)	66
Minor Course (Management)	33
Total	124

F. List of Courses

University Courses:

- 1) Basic Entrepreneurship
- 2) Thinking Skills
- 3) Malaysian Nationhood
- 4) Islamic Civilisation and Asian Civilisation
- 5) Ethnic Relations
- 6) Agriculture and Man
- 7) Principle of Management
- 8) Academic Interaction and Presentation
- 9) Academic Writing

Major Courses:

- 1) Introduction to Human Development
- 2) Research Method

- 5) Medical Social Work Officer
- 6) Administrative Officer
- 7) Human Resource Manager
- 8) Research Officer
- 9) Trainer
- 10) Entrepreneur

Graduate is able to further study at postgraduate level.

BACHELOR OF HUMAN DEVELOPMENT SCIENCE WITH INFORMATION TECHNOLOGY

A. Introduction

The Bachelor of Human Development Science with Information Technology is a **Major-Minor** programme that focuses on basic and technical skills in the fields of Human Development as the programme Major and Information Technology as the programme Minor. The programme is consistent with the national aspiration of becoming a developed nation with an emphasis on information technology. The programme aims to produce versatile, multi and inter-disciplinary graduates by preparing them with a combination of skills from applied Social Sciences (Human Development) and Technology (Information Technology). The information technology component is expected to give a competitive advantage to the programme graduates compared to Social Science graduates from other local and international universities.

B. Programme Objectives

The programme aims to produce graduates who are:

- 1) Competent in career related to Human Development Science with Information Technology.
- 2) Able to conduct research in the area of Human Development Science and Information Technology.
- 3) Capable to be an officer with ethical and integrity, or businessman in area related to Human Development Science with Information Technology.

C. Entry Requirements

Candidates must fulfill the University General Requirements and Specific Programme Requirements:

University General Requirements

Pass in the Malaysian Certificate of Education (SPM)/its equivalent with a credit in Bahasa Melayu/Bahasa Malaysia or a credit in Bahasa Melayu/Bahasa Malaysia July Paper; **and**

STPM Minimum Qualification

- Pass in the STPM Examination with at least: CGPA 2.00 and at least grade C (GP 2.00) in General Studies; **and** grade C (GP 2.00) in two other subjects; **or**

Matriculation/Foundation Minimum Qualification

- Pass in the Matriculation/Foundation Examination with at least CGPA 2.00; **or**

Diploma or its equivalent

- Diploma in appropriate field or other qualification which is approved by the UPM Senate; **and**

At least Band 2 in the Malaysian University English Test (MUET).

Specific Programme Requirements

STPM Minimum Qualification

- A minimum of Grade C (GP 2.00) in two of the following subjects at STPM level: Biology, Chemistry, Physics, Economics, Accounting, Geography, History, Business Studies, Usuluddin, Syariah, Sport Science; **and**
- A minimum of Grade C (GP 2.00) at STPM level in Mathematics (M)/ Mathematics (T)/ Information and Communications Technology (ICT); **or**

Matriculation/Foundation Minimum Qualification

- A minimum of Grade C (2.00) in two of the following subjects at Matriculation/Foundation level: Biology, Chemistry, Physics, Economics, Accounting, Business Management; **and** Mathematics; **or**

Diploma Minimum Qualification

- A Diploma in a relevant field or any other qualification recognised by the UPM Senate; **and**

Pass in one of the following subjects at SPM level with at least E/8E: Mathematics/Additional Mathematics, Physics, Chemistry, Biology, Science.

D. Requirements for Graduation

Students must have completed the stipulated 124 hours (including co-curriculum).
